## **H. OLD BUSINESS**

### **1. Media Report**

**Background:** At the April 13, meeting the commission instructed Commissioner's Fong and Kumar to update the April article on the Alcohol Awareness Bookmark and bring back to the May 13 meeting to be finalized. Staff is also suggesting choosing a topic for the next article in the May issue of the Milpitas Post.

**Recommendation:** Have the Youth Advisory Commissioners finalize the April article to be sent to the Milpitas Post for there monthly article and choose a topic for the May article.

### **2. Alcohol Awareness Bookmark**

**Background:** At the April 13, 2006 Youth Advisory Commission the Alcohol Awareness Bookmark subcommittee was directed to update and finalize the Alcohol Awareness Bookmark and send to City staff for review, so the bookmark could be finalized and ready for distribution to the Youth Commissioners at the May 11, 2006 meeting. The subcommittee will also need to update the commission on the project and determine a distribution timeline and sites for the bookmark to be displayed and distribution. Staff is recommending updating the alcohol information with current statistics on youth information to have the bookmark ready for the school year 2006-2007 and to be available for distribution for the entire school year and events. This recommendation is being made, because staff feels that there is not enough time to properly finish this project and have it ready for distribution.

**Recommendation:** Have the sub-committee provide an update on the project and decide if the commission would like to have the bookmark ready for distribution for the school year 2006-2007.

### **3. Graffiti Terminators**

**Background:** The Graffiti Terminators project is a standing agenda item to be discussed on a monthly basis, until the Youth Advisory Commssion has decided further direction.

**Recommendation:** Update the commission on the project.

## **I. NEW BUSINESS**

### **1. Teen Center Events**

**Background:** The Teen Center will have expanded summer hours starting June 22-August 26, from 12-9pm. It was suggested at the April 13 meeting to have the commission create events at the Teen Center for participants to enjoy during the summer.

**Recommendation:** Discuss possible events, dates and times.

### **2. Commission Social**

**Background:** In the beginning of the commission term, the commission decided to hold socials so commissioner's can get to know each other better and be able to work with each other in a more relaxed atmosphere. At the April 13 meeting, it was suggested to host another social during a summer meeting or event.

**Recommendation:** Discuss date, time and create a subcommittee to plan the social activities.

### **3. Relocating the Youth Advisory Commission**

**Background:** At the January 12, 2006, Commission meeting, the commission decided to move their monthly meetings to the Milpitas Teen Center on temporarily moving their monthly meetings through April 2006 and then decide if they want to keep the meetings at the Teen Center or move them back to City Hall in the Committee meeting room. If they Commission decides to keep the meetings at the Teen Center it would help promote the Youth Advisory Commission to other teens as well as create a partnership between the commission and teens attending the Teen Center.

**Recommendation:** Decide if the commission would like to continue to hold their meetings at the Teen Center or move them back to the City Hall Committee Room.
